CHEST

Place the measuring tape just under the armpits and measure the circumference at the widest part of the chest.

ARM LENGTH

Place your hand on your hip. Hold the tape at the top of your shoulder. Measure across your shoulder to your elbow and down to your wrist.

WAIST

Place the measuring tape around the natural waist and measures the area between the top of the hip bone and the lower ribs.

LEG LENGTH

Measure from the hips to the bottom of an ankle, while standing with straight legs.
